

THE FRYDERYK CHOPIN UNIVERSITY OF MUSIC

AGREEMENT ON COOPERATION

between

The Fryderyk Chopin University of Music in Warsaw

and

Mykola Lysenko Lviv State Academy of Music in Lviv

The present agreement is aimed at developing cooperation between the Fryderyk Chopin University of Music in Warsaw and the Mykola Lysenko Lviv State Academy Of Music in Lviv (Ukraine) by strengthening artistic and research contacts, i.e. by organizing students and lecturers' visits at both universities.

Pedagogue and student exchange should consist in participating in concerts, artistic and research symposiums and courses.

1. The sending side covers students and pedagogues' travel costs and provides daily allowance during their stay abroad.
2. The hosting side provides the students and pedagogues' accommodation and conditions necessary to prepare a concert, lecture or classes.

This agreement is valid from the moment of its signing until further notice.

The text of the agreement has been drawn up in identical versions in Polish and English.

AGREEMENT ON COOPERATION
BETWEEN
MYKOLA LYSENKO LVIV STATE ACADEMY OF MUSIC IN LVIV
AND
THE FRYDERYK CHOPIN UNIVERSITY OF MUSIC IN WARSAW

I

On the basis of the traditional friendly relationships between Ukraine and Poland, close location of these countries, common understanding in the area of musical art, musicology and music education, the Mykola Lysenko Lviv State Academy of Music in Lviv and the Fryderyk Chopin University of Music in Warsaw conclude the following agreement, which is aimed at:

- supporting the process of integration of university music education of Poland and Ukraine with European and the world area;
- exchanging information in the area of musical art, musicology and music education;
- informing each other about the achievements in the area of national musical art of Ukraine and Poland;
- cooperation in preparing specialists.

II

For the realization of the aims of this agreement both Parties commit themselves to develop the interuniversity cooperation in the following directions:

- performances with programmes of orchestras, choirs, ensembles and soloists of both universities;
- running master classes by outstanding pedagogues of both universities;
- participating in research conferences and symposiums;
- exchange of research and methodological literature;
- cooperation concerning participation in international artistic, research and educational programmes.

III

1. While running common undertakings and projects connected with the exchange of representatives of both universities between each other (mobility of pedagogues and students), the sending side commits itself to cover the costs of travel expenses, obtaining a visa, undergoing the required medical tests, health and casualty insurances and a medical certificate, while the hosting side provides the students and pedagogues' accommodation and conditions necessary to prepare a concert, lecture or classes. Other conditions of cooperation shall be accepted by mutual consent of both Parties.

The present agreement has been drawn up in four copies in English and Polish, two copies in each of the above mentioned languages (one copy for each Party), each copy shall have equal legal force.
